Hello Jayne,

Did you get the email I sent last week with a proposed boundary for the time of transfer septic system rule?

We have a Secretary of State filing due tomorrow, so I am feverishly scheduling public hearings for the middle of next month and after the filing is done I will begin getting a fact sheet together and presentation materials. If our proposal isn't going to fly, we'll need as much time as possible to figure things out.

As I said, I am just checking in!
